## Lorraine Eaton's pick of the week

I GOT A KISS in the mail recently! Make that a bottle of K.I.S.S., aka Keep It Simple Syrup. It's made by a Richmond gal whose all-natural spearmint version is a mainstay of my kitchen and bar. Now there's cinnamon K.I.S.S. I'll be mixing it up with whiskey and with cider. I might even put a splash in my hot chocolate. \$9.95 for a 375-milliliter bottle at area ABC stores.
